PROFILE

Full Stack Developer with 3 to 4 years of experience, including 2 years at Cubicus.io (Pixpel Project and Dynamic Business Payglo), 1 year at CodeMate (Backspin Project), and 6 months at Xomacs (Study Application). Proficient in MongoDB, Express.js, React.js, and Node.js, specializing in crafting responsive and scalable web applications. Skilled in both SQL and NoSQL databases for versatile data management solutions. Additionally experienced in Next.js 14 for enhanced server-side rendering and optimized performance. Led initiatives at Cubicus.io, optimizing performance and implementing robust security. Actively contributed to the success of Dynamic Business Payglo and the Study Application at Xomacs. Seeking a challenging role to leverage full-stack development skills for innovative projects.

EDUCATION

MATRICULATION

Niaz High School Taga -Dadu Sindh
